

Mayors report 12th May 2020.

As you can see the from Mayors engagements below very little was done during March.

The Sudbury Civic Service gave my escort and I the opportunity to discuss their warden scheme .The Mayor offered an opportunity to go and talk with staff on the front line at a later date which we have been unable to do due to the pandemic.

All Christians together was a great opportunity to meet people and listen to the work they do world-wide.

Thetford job fair - there were so many companies giving opportunities to local people from in house training and apprenticeships. Plus, I built up my pen collection.

All Mayoral events from March were cancelled. I cannot foresee any change in this for the for unforeseeable future.

The Mayors Officer has emailed our twin towns on our behalf sending our blessing.
